Bathrooms

Everyone loves the feeling of a warm fluffy towel when they get out of the bath or shower and thanks to the wide range of bathroom radiators in our collection, you can enjoy looking at your designer towel rail as much as using it. But bathroom radiators don't have to be mundane. From the radical to the traditional, MHS has the perfect style for your bathroom. Available in a number of finishes including chrome, stainless steel or white, there are plenty of options to choose.

So now you can relish getting out of the bath as much as getting in.

For outputs and dimensions of all MHS products please refer to the Technical Section of this publication.

Space Chrome - Bow

Space White ▶

High-tech ladder radiators are beautiful, practical, and no longer need to be expensive. The simple Space White exudes luxury but won't break your budget.

5 Year Guarantee

Electric options available

◀ *Space Chrome*

The attractive and practical wall-mounted Space Chrome towel radiator is available as either straight or bow-fronted. The Space Chrome offers great value for money and brings a touch of luxury to any bathroom.

5 Year Guarantee

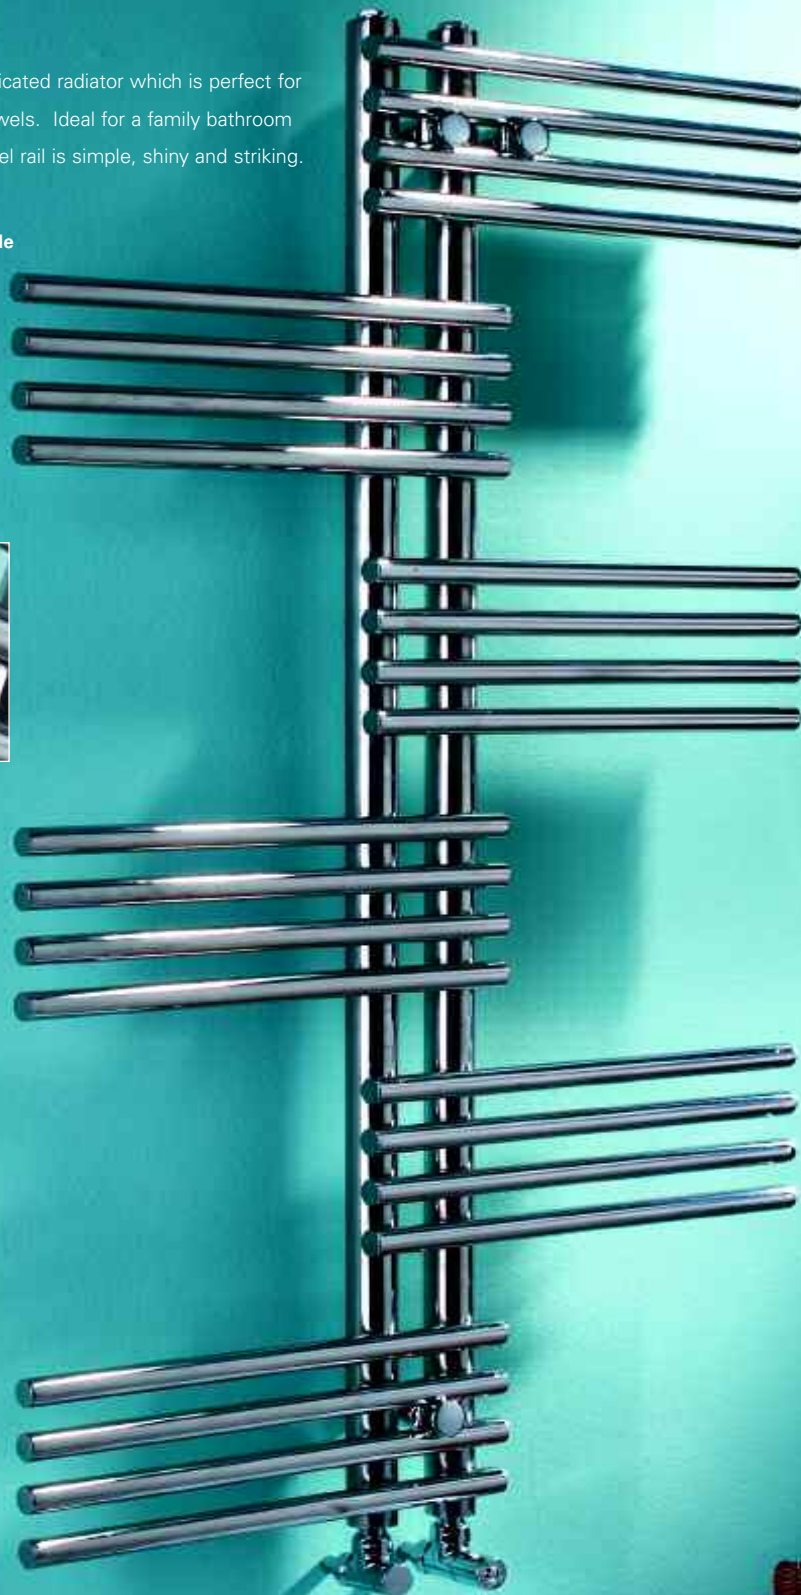

Electric options available

Fingers

An elegant and sophisticated radiator which is perfect for drying and warming towels. Ideal for a family bathroom this stainless steel towel rail is simple, shiny and striking.

10 Year Guarantee

Electric options available

Comb

A deceptively simple design that puts a new twist on a classic ladder style towel radiator. Manufactured from polished stainless steel, the Comb will become a much loved feature of any bathroom.

10 Year Guarantee

Electric options available

Circ

A beautiful stainless steel towel rail, ideal for making a real design statement.

The Circ is perfect for both traditional and contemporary bathrooms.

10 Year Guarantee

Electric options available

Sunny

The elegant, finer steel bars of the Sunny provide extra towel hanging space, giving greater flexibility and warmth in a stunning chrome finish.

5 Year Guarantee

Electric options available

Oval

The oval profile of the polished or brushed stainless steel tubes gives this towel rail a modern and sophisticated look. The uncompromising style is underpinned by quality – and an impressive guarantee.

10 Year Guarantee

Electric options available

Brushed stainless steel

Polished stainless steel

Aquila

The gentle curving profile and wide brushed stainless steel bands gives Aquila an air of classic timelessness. Ideal for the contemporary bathroom, Aquila is a perfect example of understated elegance.

10 Year Guarantee

Electric options available

Halo

Divine inspiration in the design process has produced the Halo, an upright citizen in the world of heating. With a series of parallel rings to convey powerful heating outputs, the Halo cuts a dash with its clean lines, elegant styling and capacious towel hanging space.

Its gleaming chrome finish makes it a great all rounder. Unashamedly modern, it looks great in the warehouse apartment and is perfect for kitchens or bathrooms.

5 Year Guarantee

Electric options available

Cascade

One steel tube cascades down the wall to produce a stunning design which is both attractive and practical. Combining brains with beauty, it will collect towels, but it won't collect dust.

5 Year Guarantee

Climber

Step up to this tall, elegant, yet beautifully practical square tubular ladder rail. It will hold, organise and hygienically dry multiple towels with ease and efficiency. Finished in polished stainless steel, it will sit pretty in any bathroom or kitchen.

10 Year Guarantee

Square

Industrial chic meets warmth in the shape of the Square, creating an extra dimension in comfort. It may be square, but it's bang up to date.

10 Year Guarantee

Electric options available

Hot Box

Don't look outside the box for innovation, look at the Hot Box. This inspiring radiator system offers intelligent, modular versatility with practical, highly efficient functionality.

The compact design allows any number of horizontal, vertical or even diagonal permutations to suit the available space and drying demands. Finished in a stunning framework of brushed stainless steel, the Hot Box configuration extends to a matching Hot Shelf, giving additional drying and storage facilities.

5 Year Guarantee

Stax

Radically ladder-styled, the tapering steel lines of the Stax combine practicality with superb design to create a funky and useful spacemaking addition to any bathroom.

5 Year Guarantee

Vengi wood

Light oak

Revo ▲

This chrome or gold plated brass radiator likes to turn heads, so the Revo actually pivots to make towel hanging easier than ever. Not just a pretty shape.

5 Year Guarantee

◀ *Matrix Mirror*

For the hallway, bathroom or bedroom, the ultimate in space saving elegance, a state of the art heat emitter and full length mirror combined.

5 Year Guarantee

Empire 48 ▾

The Empire range of steel towel radiators is equally at home in a hi-tech or a period setting, and this compact 48 version will fit into the tiniest bathroom with ease.

5 Year Guarantee

Empire 70 ▾

The Empire floor-standing version gives you maximum towel-hanging space; although it's so beautiful you may not wish to hang anything on it.

5 Year Guarantee

Empire 60 ▾

Modern comfort with traditional style; the Empire 60 has it all, whether restoring a period setting or creating individual style for a new property.

5 Year Guarantee

Electric options available

Empire 60/Multi

For extra output in the bathroom or kitchen, the Empire 60/Multi includes a neat multicolumn radiator to optimise warmth and drying capacity without compromising the theme.

5 Year Guarantee

Radiators with towel hanging options

Period

Whether you're looking for an ornate Victorian style or a traditional cast-iron radiator to complete the authentic detailing of your period home, we can offer a great selection. And with a wide variety of paint finishes - from Gunmetal to a whole spectrum of colours - you'll only be limited by your imagination.

You don't have to hide your radiators any more so why not bring them out of the shadows?

Burlington ▶

The classically styled Burlington cast iron column radiator combines the elegance of a bygone era with high efficiency space heating.

10 Year Guarantee

2 Year Element Guarantee

Electric
only
option

Clasico

The timeless looks of the cast iron Clasico make this a real chameleon of a radiator. From modern warehouse apartment to period property, it looks completely at home.

10 Year Guarantee

2 Year Element Guarantee

Electric only
option

Liberty ▶

The stunning Victoriana lines of the cast iron Liberty ensure that it blends with any period setting while providing modern comfort and warmth.

10 Year Guarantee

2 Year Element Guarantee

Electric only option

Electric only option

Sanaplan ◀▶

For cast iron column looks without the weight, Sanaplan gives you a steel column alternative. Modern materials in a traditional pattern make this the best of both worlds.

5 Year Guarantee

2 Year Element Guarantee

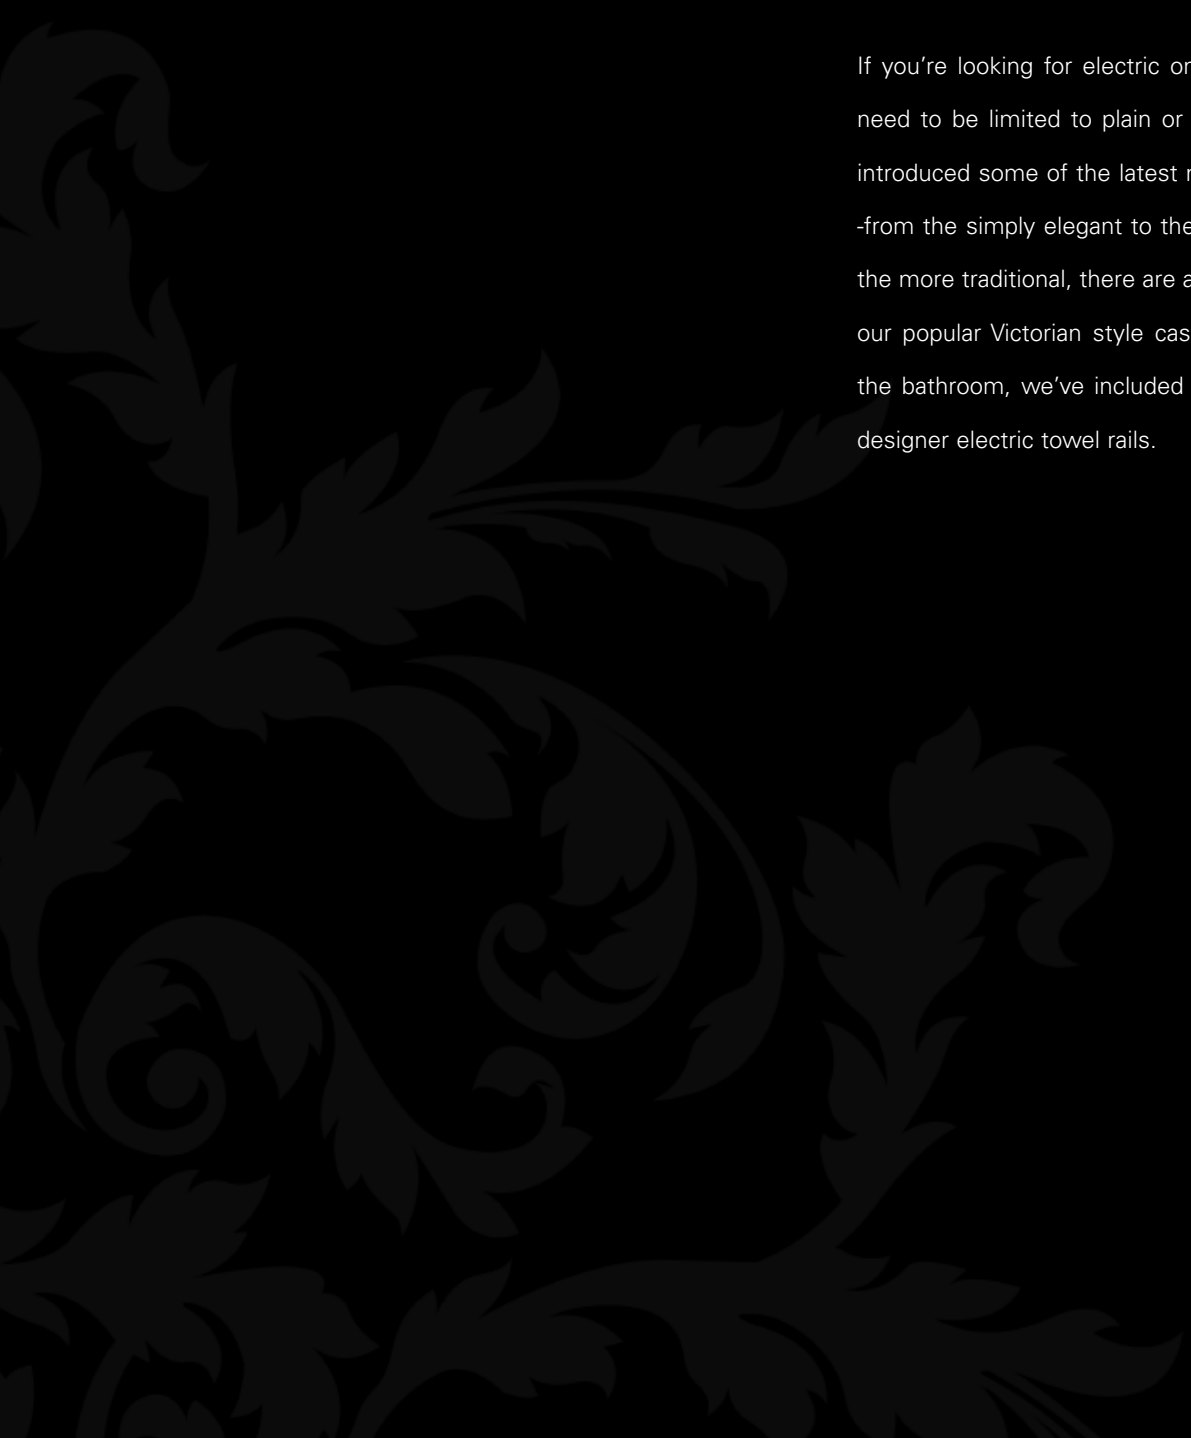

Electric

If you're looking for electric only radiators, you don't need to be limited to plain or boring designs. We've introduced some of the latest models as electric only -from the simply elegant to the downright funky. For the more traditional, there are also electric versions of our popular Victorian style cast-iron models. And for the bathroom, we've included both conventional and designer electric towel rails.

Tutto

Chic, understated curves make this aluminium electric radiator an obvious choice for the home or office. Available in a variety of sizes, the Tutto will suit any location.

Liberty

Radiators with electric only option

Multisec

Modern

From simple and stylish designs to modern updates on classic radiators, this range has been designed to suit any home. There are ultra discreet models to blend in with any interior and compact designs to fit in those tricky places.

Coupled with a wide range of finishes our modern radiators will put the perfect finishing touch to your home.

Carat

This is just about the most discreet wall mounted radiator you can buy. For a truly versatile minimalist, Carat is constructed in heavy gauge steel at a price you cannot ignore.

5 Year Guarantee

Horizontal version

The Carat is ideally suited to the multi-connection Variocon valve

Matrix Horizontal

The height of versatility, the steel Matrix range lets you pick the dimensions you need, in a host of possible configurations starting with the horizontal.

5 Year Guarantee

Matrix Vertical

High, wide and handsome, the striking vertical Matrix comes in four models, each of them a heating work of art. One tall tale that lives up to its promise.

5 Year Guarantee

Decoral Ten

A new generation of aluminium radiators, sealed internally with aluminium oxide for long life, and guaranteed for ten years. In various heights and a host of widths, you've got it exactly where you want it.

10 Year Guarantee

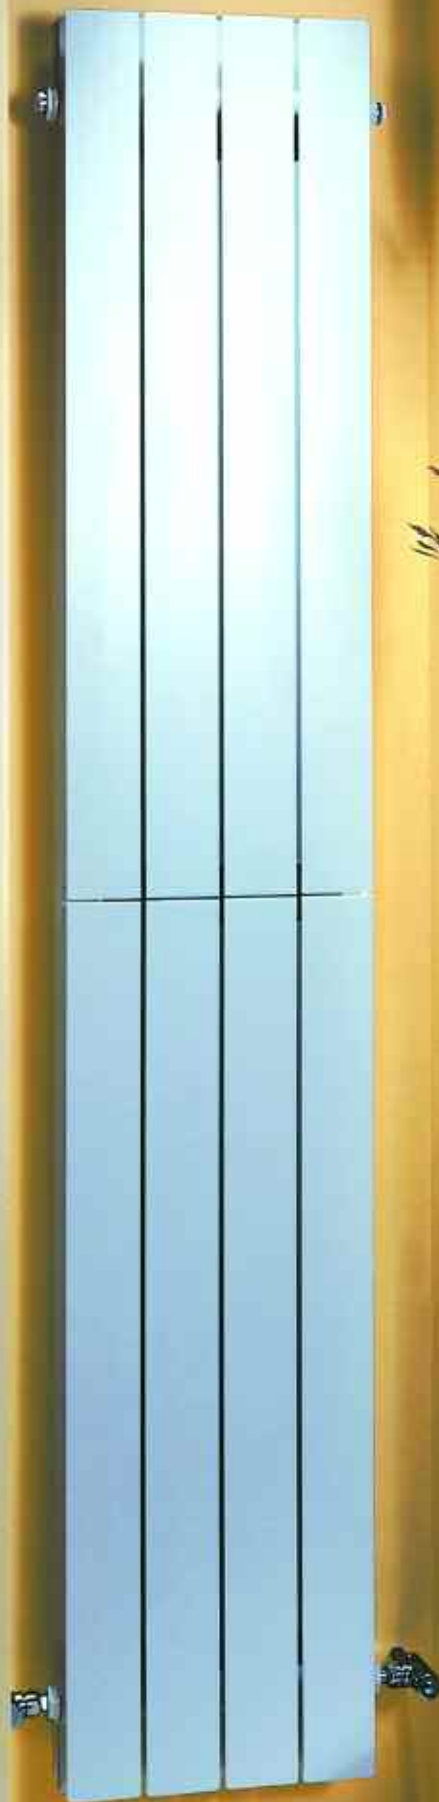

Decoral Hi

Extending the lines of the Decoral creates a truly beautiful aluminium radiator. Guaranteed for 10 years and sealed internally with aluminium oxide, this is quality and simplicity combined.

10 Year Guarantee

Electric only option

Monoline

◀ *Monoline*

This pipedream has become a reality and hits all the right notes in tall and slender polished stainless steel or white finishes. Monoline models are warm, elegant and highly efficient.

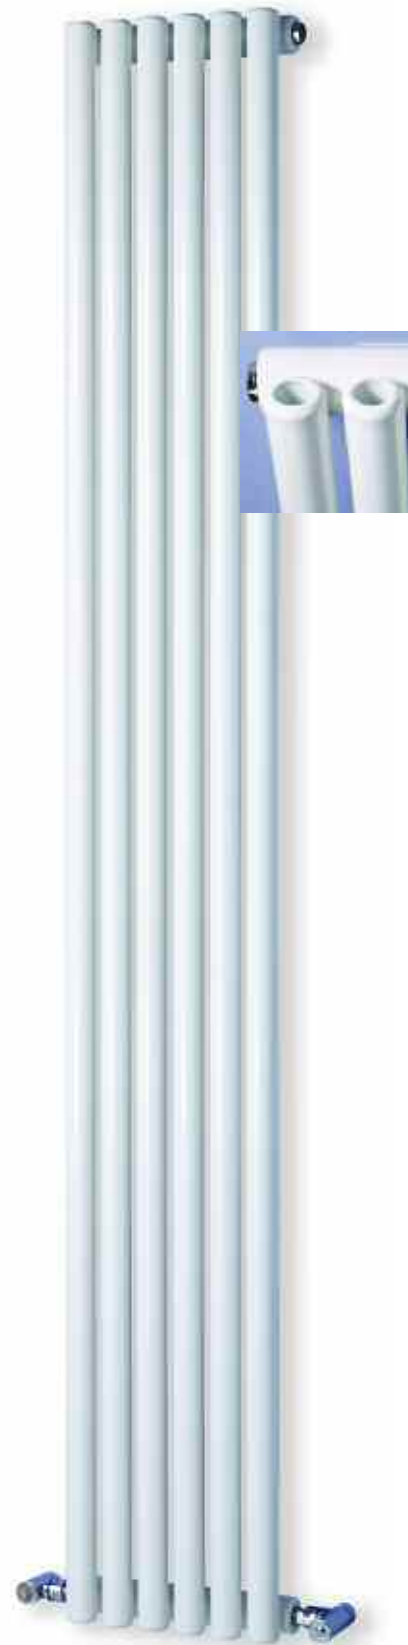

Monoline KB ▶

Equally at home in the kitchen or bathroom, the Monoline KB has a smart finish and a towel hanger to combine beauty with practicality. Also available in white.

White 5 Year Guarantee

Stainless Steel 10 Year Guarantee

Duoline ▶

With its unique hollow tubular design, the Duoline gives outstanding performance in a variety of living areas. For those who like style that fires on all cylinders.

5 Year Guarantee

Arc

Far from being ordinary, the Arc is simplicity and grace combined. Its tall oval tubes of brushed stainless steel belie the engineering skills that created it. With a 10 year guarantee, you know you're buying a quality radiator.

10 Year Guarantee

Double version of the Arc

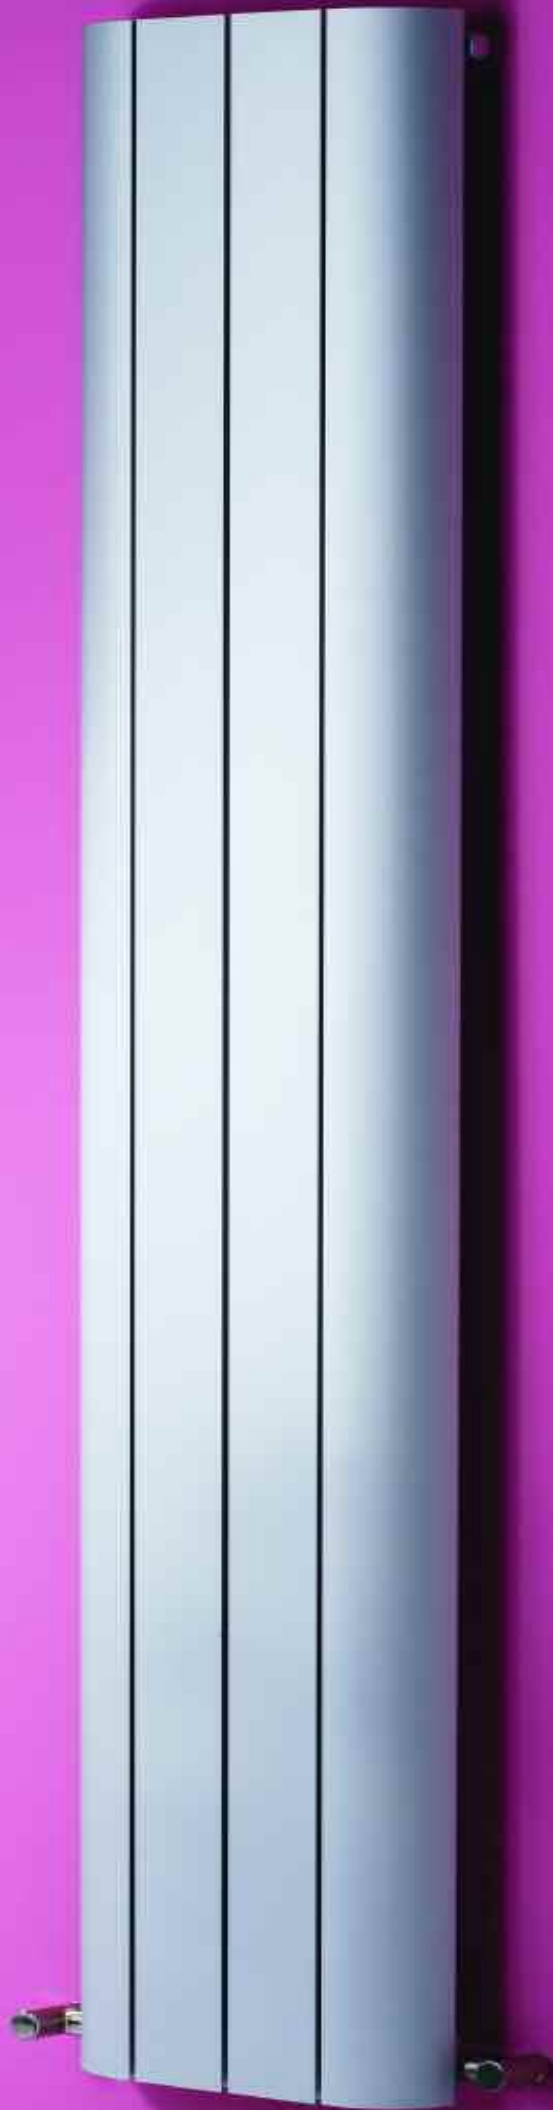

Play

They say "less is more" and that's certainly the case with this beautiful satin anodised aluminium designer radiator. Gently curving sides nestle against two strong vertical panels to create a design of mesmerising simplicity. Also available in a white painted finish or other MHS RAL colours.

5 Year Guarantee

Multisec

A new approach to a timeless design. The Multisec is available in white or brilliant chrome. A true classic.

5 Year Guarantee

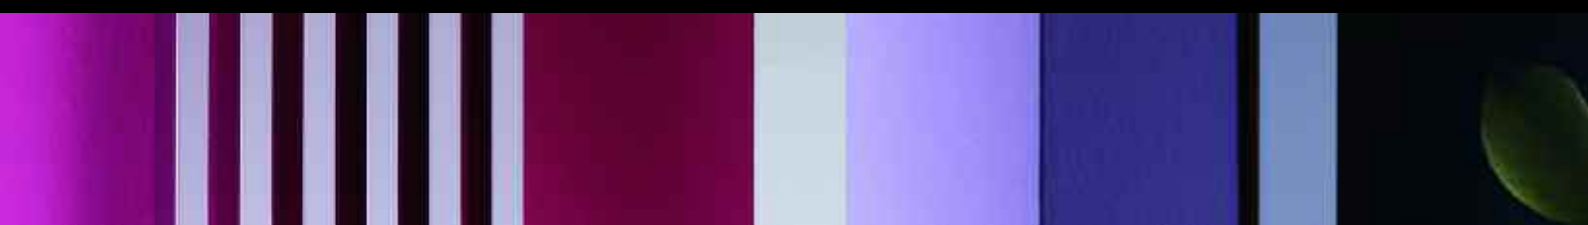

Optional insertable feet

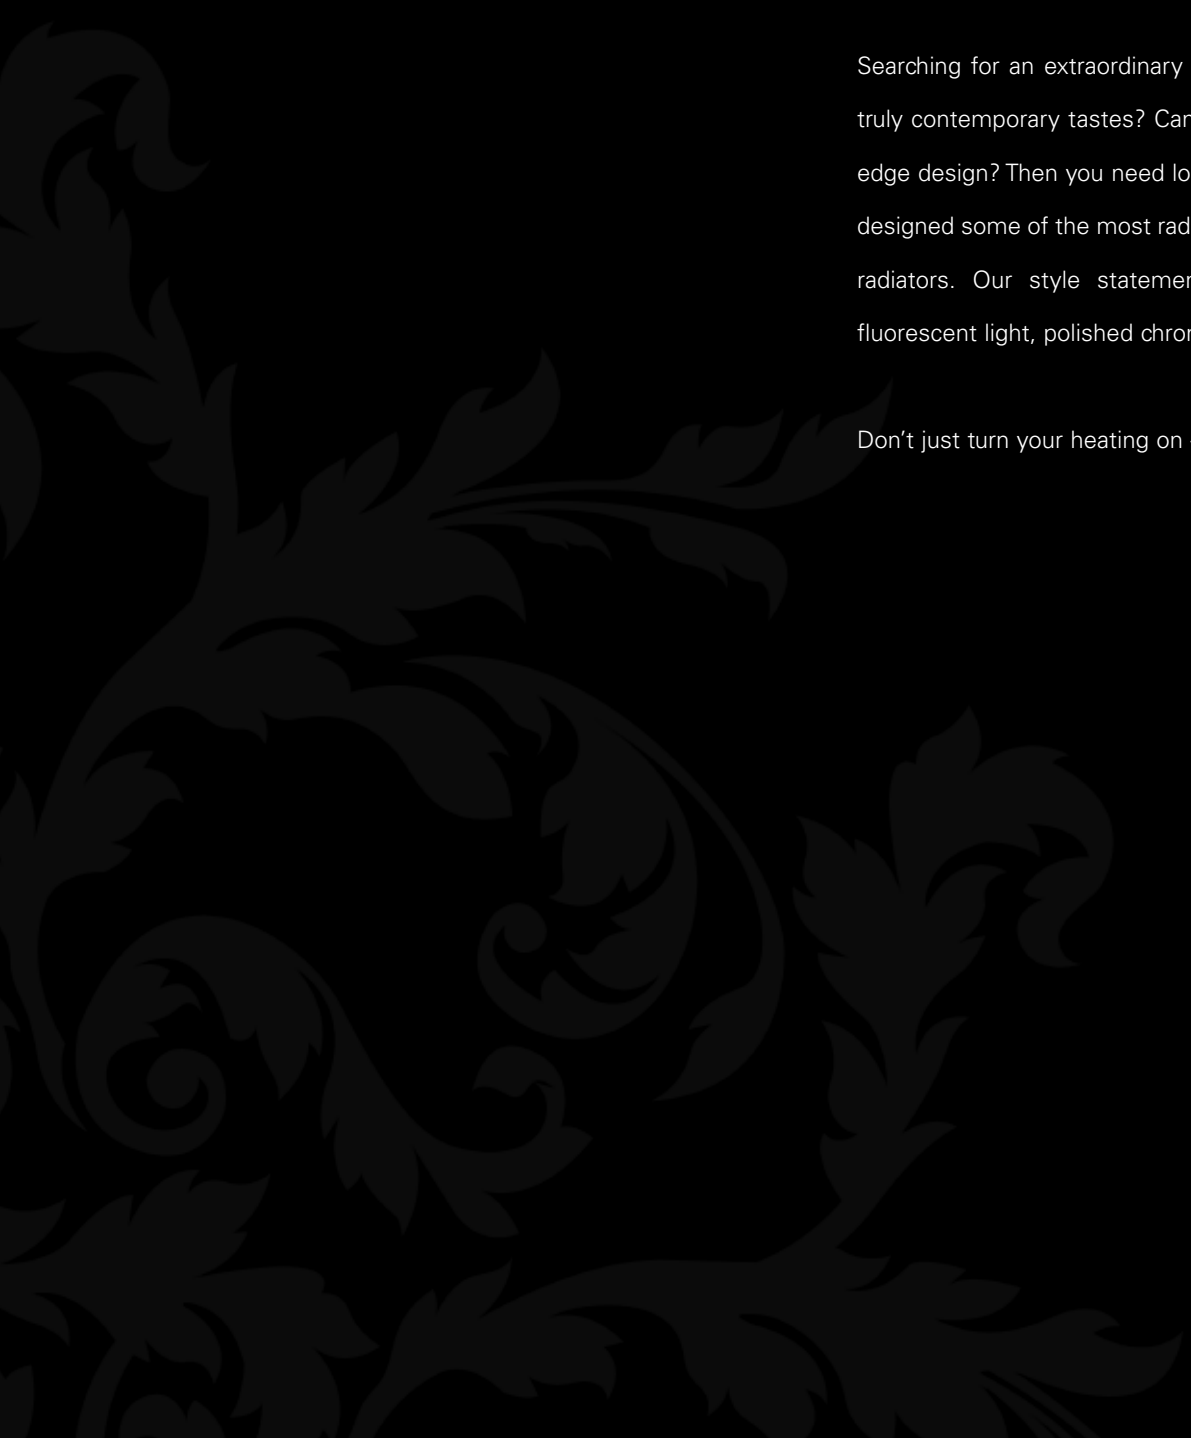

Ultra Modern

Searching for an extraordinary radiator to match your truly contemporary tastes? Can't find the best cutting edge design? Then you need look no further. We have designed some of the most radical and state of the art radiators. Our style statements embrace Cubism, fluorescent light, polished chrome and stainless steel.

Don't just turn your heating on - turn heads as well.

Flex

A hypnotic, 'off the wall' design, cleverly engineered for maximum efficiency and stunning in appearance imparting minimalist elegance. This chic radiator is the perfect picture in any environment in its absorbing painted finish.

5 Year Guarantee

Wing

Straight lines and a gently curved surface make reference to the finest aeronautical engineering and give the Wing an overpowering sense of simplicity. Its clever wraparound Plexi-glass towel rail (optional) takes modernity to another level. The Wing is available in polished aluminium, satin anodised and MHS colours.

5 Year Guarantee

Electric only option available

Optional towel holder

Stra

The curving horizontal lines of die cast aluminium (with optional towel holder) add an elegant and chic touch to any contemporary living space. Simplicity and modernity combined.

10 Year Guarantee

Optional
towel holder

Wall

A discreet, minimalist dream of a radiator. The brushed stainless steel design takes the idea of a traditional panel radiator and brings it bang up to date. Subtle, stylish and very sexy indeed.

5 Year Guarantee

Electric only option available

Tekne

Tekne's gleaming polished or satin anodised aluminium surface combined with stunningly simple elegance ensures a truly opulent look with a suggestion of precious metal ingots. Practical as well as beautiful, the Tekne's smooth lined formation generates warmth and comfort in a host of surroundings. Also available in MHS colours.

5 Year Guarantee

Electric only option available

Optional Tekne valve and sleeving kit

Optional Tekne towel holder

Optional towel holder

Goste

The contemporary sleek lines finished in polished or satin anodised aluminium, scream understated simplicity. Using strong vertical lines, the Goste makes a truly sophisticated design feature. Optional towel holder available.

5 Year Guarantee

Electric only option available

Goste - satin anodised finish

Goste - polished finish

Kremlin

The strong vertical lines of Kremlin and its subtle satin stainless steel finish combine to create a versatile and attractive radiator. Perfect for using as a feature in a strongly minimalist interior design.

10 Year Guarantee

Optional towel holder

Optional towel knobs

Curtain

Can metal ripple and curl like fabric?
Curtain answers that question with an emphatic
and logic-defying "yes". Fluid lines and gorgeous
waves combine in this stunning polished radiator.

5 Year Guarantee

Hose

This radiator will bring a wry smile to everyone who sees it. Over 20 metres of double-lined steel braded hose are rolled over a polished stainless steel hook to create a radiator which will stop people in their tracks.

5 Year Guarantee

Pipe

Making reference to one of the oldest musical instruments known to man, Pipe's brushed stainless steel tubes deliver an excellent output.

10 Year Guarantee

Format S

Format

There are three versions of this sophisticated aluminium radiator – X, S and O, each available with a polished or satin anodised finish. Whichever one you choose, you can be sure of classic good looks in a contemporary design.

5 Year Guarantee

Electric only options available

Format O

Format X
(Shown here in satin
anodised finish)

Cubic

It's definitely hip to be square with the Cubic. Intersecting lines form a grid of satin anodised aluminium squares giving an attractive texture to an effortless design.

5 Year Guarantee

Cubic V

Over twice the height of its sister radiator, the Cubic V is perfect for a space where the radiator becomes an architectural feature.

5 Year Guarantee

Block

For those who want luxury without fuss, the Block's stark, stylish lines provide flare without frills, and heat without hassle. This gorgeous polished aluminium radiator is neatly understated. Also available in MHS colours.

5 Year Guarantee

Electric only option available

Block

Mistral

Modern interior design isn't all about harsh lines and strong angles. The soft and elongated tubes of brushed stainless steel make Mistral a true design statement. Low key but high style.

10 Year Guarantee

Optional polished stainless steel towel holder

Oris

Simple, strong vertical lines in three widths bring a restrained twist to a classic vertical radiator. Built from high grade brushed stainless steel the Oris exudes contemporary chic.

10 Year Guarantee

Optional polished stainless steel towel holder

Fortuna

Great performance from the ultra modern Fortuna radiator is guaranteed thanks to its cutting edge design. The tubular construction combined with brushed stainless steel, merge to create a gorgeous radiator which looks great in any setting and is bound to draw admiring looks.

10 Year Guarantee

Hermes

Contrasting finishes and shapes combine to create a head-turning feature. Manufactured from both polished and brushed stainless steel, Hermes uses uncompromising lines with gentle curved corners to a stunning effect.

10 Year Guarantee

T²

Clean lines and sharp angles draw your eye to this striking radiator. T² adds an interesting design feature and can give any interior a funky freshness. Available in polished or brushed stainless steel.

10 Year Guarantee

Optional towel holder

Deck

A radiator that is as pretty as a picture. The four brushed stainless steel panels form a square, with a pattern that's reminiscent of the classic Greek key design. The square motif is echoed in the small, polished middle square. Simple and sophisticated.

10 Year Guarantee

Mega

Sophisticated curved box tubing makes the Mega stand out in any room setting. Its six connection points makes installation in any configuration simple and the choice of colours, polished aluminium or satin anodised gives a great deal of flexibility.

5 Year Guarantee

Electric only option available

Optional Mega towel holder

Mega

Retaining all the sophisticated elegance of its larger brother, the 600mm version has an additional top grille to finish its curved tubular structure.

5 Year Guarantee

Big One

Big One 600mm

Big One

The Big One is a bold yet beautiful fashion statement to be admired for its cutting-edge design and superb engineering quality that works comfortably in both large and smaller spaces. With polished aluminium, satin anodised or painted finishes in three heights. The 600mm model comes with a beautifully designed top grille and brings the power of the Big One to any small space.

5 Year Guarantee

Electric only option available

Ripple H

These contemporary radiators aren't simply ultra-modern, they are ahead of their time, making serious waves in the way radiators of tomorrow will be designed, setting standards of combined style and functionality. The carefully crafted fascias of either the vertical or horizontal Ripple will send a shiver down any spine with their mesmerising polished aluminium, satin anodised or painted finishes combined with power and efficiency, truly offer the best of all worlds.

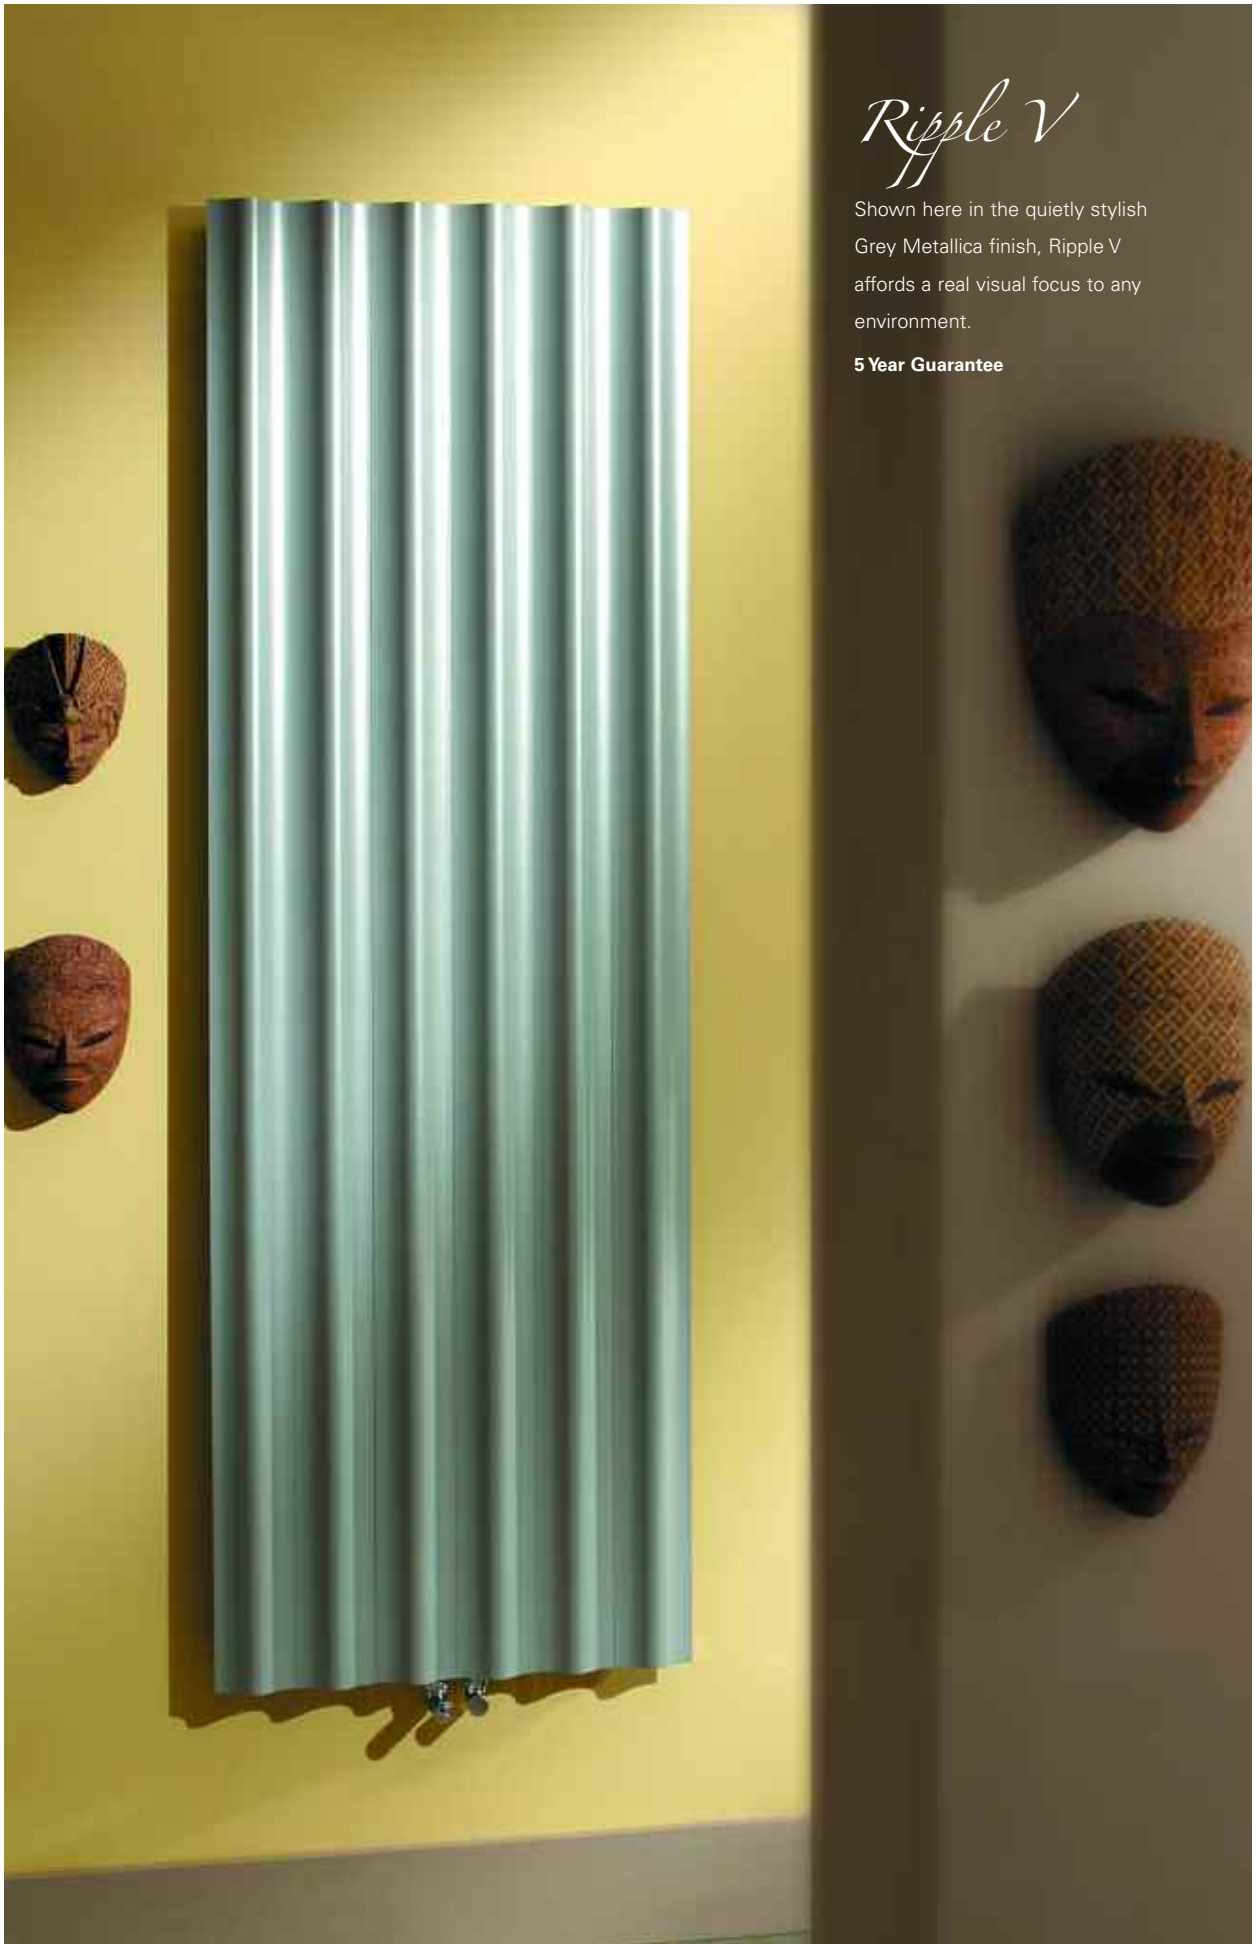

5 Year Guarantee

Ripple V

Shown here in the quietly stylish Grey Metallica finish, Ripple V affords a real visual focus to any environment.

5 Year Guarantee

Eurus

The Eurus is about as far away from a traditional panel radiator as you can get! For a modern, minimal design which doesn't compromise heating performance, you need look no further than the clean simple lines and soft highly polished discs of the Eurus.

10 Year Guarantee

Nuage 1

Nuage

This radiator really trips the light fantastic, with a fluorescent strip running through its heart. Nuage will add to the décor, take up wall space in the most economical way and still blend with your other works of art. It may be flat, but it certainly isn't boring.

5 Year Guarantee

Nuage 2

Nuage 3

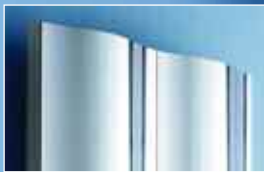

Motus

The Motus takes the flat panel radiator a stage further in its development by rippling it into a series of soft waves. Available in Grey Metallica, polished or satin anodised aluminium with three height choices.

5 Year Guarantee

Satin anodised

Polished

Shown above with optional end panels

Flame

The polished blades of the Flame not only make for excellent heat convection but also add a timeless quality to the radiator and the six connection positions make it truly versatile. Available in polished aluminium, satin anodised and MHS colours.

5 Year Guarantee

Boreas ◀

A striking and unusual radiator of contrasting elements. Its dramatic appearance is thanks to the combination of polished and brushed stainless steel, with a convex circle and simple square. Its unfussiness enables it to fit perfectly in a whole range of lifestyles.

10 Year Guarantee

Honeycomb ▶▶

Circles and squares combine in this head-turning design. Intriguing and adventurous this off the wall radiator looks fantastic on the wall.

10 Year Guarantee

Raven ▲

There's no denying this is show-stopping radiator. Its stainless steel construction gives the design a real presence and truly sculptural quality.

10 Year Guarantee

Multisec Bench

For the conservatory, locker room or bathroom, seating and heating can be combined in the Multisec bench radiator to maximise both space and comfort.

5 Year Guarantee

Quadro

Industrial chic meets warmth in the Quadro, creating an extra dimension in comfort. It may be square, but it's bang up to date.

5 Year Guarantee
